

Build your own tournament *Fantasy Chess*[®] set.

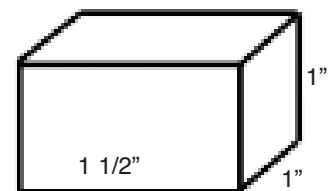

**1" blocks are used for official play of *Fantasy Chess*. You can mount standard Staunton pieces or lead miniatures on top.
*Create your own armies!***

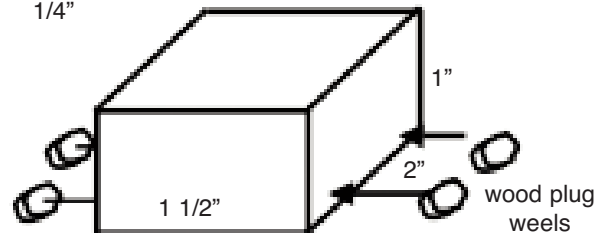

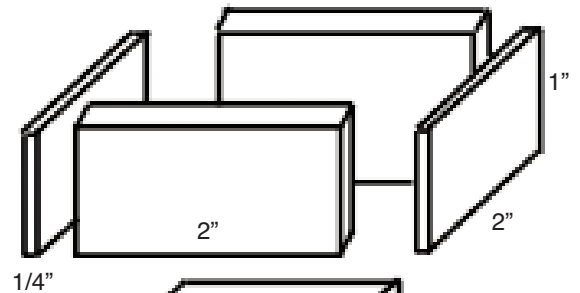

Most chess pieces will be on 1" base

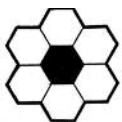

Longer figures will be on 1 1/2" base

Castles do not have any figures on top. They have walls and "wheels" to hold up the walls. Glue sides of walls together, but do not glue wall to base.

Make your sets out of wood or buy blocks already made. Paint your teams in different colors. Stamp or paint their numbers on them. Glue your favorite lead figures on top. Choose your genre: Napoleonics * Mech Warrior * WW II * SpaceShip * Animal * Fantasy -Orc/Dwarf/Elf/Undead/Human
